

## LETTER OF INTENT

1.

The Chongju University, Chongju, Republic of Korea, on one hand, and St. Petersburg State University, St. Petersburg, Russia, on the other hand, agree upon the fact that cooperation between universities in fields of science and education serves to promote the enrichment of national cultures, scientific progress, friendship and understanding between the peoples of the respective countries.

2.

The two parties concerned therefore declare their intention

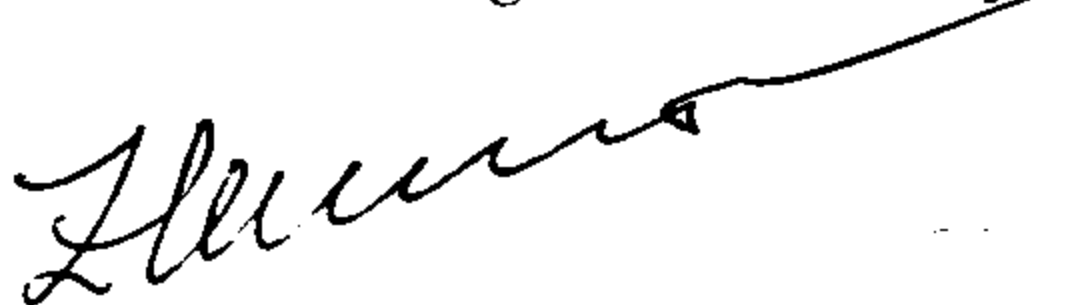

- to exchange information material concerning their research activities and academic programs;
- to encourage and support contacts between the faculty members of the two institutions in order to identify areas of research where a scientific cooperation and faculty exchanges would be profitable and desirable;
- to examine the possibilities of an exchange of advanced students and postgraduates on a reciprocal basis.

3.

If the result of these contacts should be such as to justify an agreement of cooperation, the two parties concerned shall endeavor to set up a formal exchange program as a framework for their joint activities.

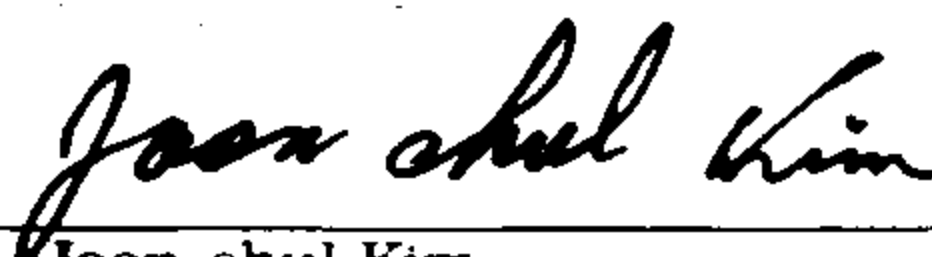

Signed in St. Petersburg, May 28, 1993.

For St. Petersburg State University

Prof. Andrei A. Zhukov  
Vice-Rector

For Chongju University
