

St.Petersburg
University

Registration and Visa Extension

REGISTRATION PROCEDURE UPON ARRIVAL

Important: during your entire stay in Russia you must be registered.

To get the registration:

- If you live in a **dormitory**: visit your coordinator's office for registration within **3 working days** after your arrival.
- If you live in a **rented apartment**: your owner has to register you.

Important: the University cannot register you at a private address, so contact your owner & discuss registration details in advance.

REGISTRATION RULES: travelling inside Russia

Important: re-register every time you stay in another city for more than 7 working days.

- **If you live in a dormitory:** visit your coordinator's office for registration within 3 working days after your arrival.
- If you live in a **rented apartment:** your owner has to re-register you
- **Good news:** if you stay at your friends' house or rent an apartment in another city - NO NEED to re-register.

REGISTRATION RULES: travelling outside Russia

Important: you must repeat registration process every time you cross the Russian border.

- If you live in a **dormitory**: bring your hotel / hostel registration to your coordinator within 3 working days upon arrival.
- If you live in a **rented apartment**: your owner has to re-register you again.

VISA PROLONGATION

- your first visa is valid for 90 days & allows you only one entry to Russia
- the procedure starts **~1 month before the visa expiration date.**

Example: your visa expires on 30/11, so we apply the documents on 20/10.

- the procedure takes around 30-40 working days ⇒
- please, **do not plan** trips outside Russia before your visa is extended.

MANDATORY MEDICAL EXAMINATION

Important: after you first entry to Russia you have 90 calendar days to undergo the medical examination.

The procedure:

- Pass medical exams
- Submit fingerprints and biometric data to Federal Migration Service (FMS)
- Collect the confirming document at the FMS
- Send this document to your coordinator.

WHERE TO PASS?

Option 1:

- undergo both procedures at the FMS
- health examination: 5700 rubles
- biometric data collection: 300 rubles

Option 2:

- pass the medical checks at one of the accredited medical centers
- submit fingerprint in the FMS after you receive the medical results
- prices to be discussed at an accredited center

THANK YOU FOR YOUR ATTENTION & WELCOME TO SPbU!

- If any of your personal documents are lost, contact your coordinator and report to the police station.
- If you have any further questions, your coordinators are always there for you!
 - We wish you a pleasant stay and fruitful study at Saint Petersburg State University!
