Research Opportunities Week

April 12–16, 2021

Take this unique opportunity to explore the Technical University of Munich (TUM) and its research environment.

TUM invites you to participate in this one-week event to learn about the TUM, the German academic system, and career options for Postdocs. Furthermore, you'll get the chance to meet TUM professors face-to-face at our virtual career fair, attend interesting workshops and get to know Munich virtually.

Afterwards, all candidates will get the chance to apply for the prestigious two-year Global Postdoc Fellowship at TUM.

Are you a young researcher looking to boost your career in Munich?

Apply via our online portal until March 21, 2021
