

MEMORANDUM OF UNDERSTANDING

**between
Chosun University, Korea
and
St. Petersburg State University, Russia**

I.

The President of Chosun University (Korea) and the Rector of St. Petersburg State University (Russia), being convinced that cooperation between the two schools will promote the development of research and other academic activities in each school, hereby agree to encourage academic cooperation in the fields of mutual interest (philosophy, political studies, sociology, management, natural sciences and other) through appropriate means as follows:

1. Exchange of students and faculty members, trainees, and post-graduates;
2. Development of joint research programs and organizing seminars, symposia and conferences;
3. Exchange of academic information, materials and publications;
4. Exchange of experience concerning management of university and research institutes.

II.

Themes of joint activities and conditions for utilizing results achieved, as well as funding and arrangements for specific visits, exchanges and other forms of cooperation will be developed for each specific case by means of correspondence and will be described in detail in a working program. Conditions of each individual visit will be specified in a separate letter of agreement signed by both parties. No student exchange shall be started before the working program is signed by representatives of both subdivisions involved in cooperation.

III.

The parties will start negotiations and cooperation at the level of faculties (departments) in 1999 and will sign a long-term agreement on cooperation as soon as the programs of cooperation in at least three areas of mutual interest are worked out.

IV.

This Memorandum will be effective from the date of signing for a period of five years.

This Memorandum is executed in two official copies in English. Each party will retain one original copy of the Memorandum.
