

**Agreement on Student Exchange  
between  
Saint-Petersburg University, Russian Federation  
and  
Uppsala University, Sweden**

In order to further strengthen the cooperation between the two universities we hereby agree to establish the following reciprocal student exchange program based upon principles of mutual benefit.

1. Each university may send to the other university up to two (2) full year students, including undergraduate and graduate students, per year during the term of this agreement. Two students enrolling for one semester each will be equivalent to one student enrolling for one year. It is understood that a balance in number of exchange students shall be maintained over a five year period.
2. Participating students shall be enrolled as full-time and non-degree students at the host university. The normal length of the stay of exchange students will be one semester or one academic year.
3. Participating students nominated by the home university will generally be accepted by the host university, while the host university retains the right to review the students nominated for exchange and to make final admission decisions. Each student shall possess sufficient language ability requested by the host university. The home university guarantees the student's language ability.
4. Participating students shall be subjected to the rules and regulations of the host university. They will also have the same rights and privileges as enjoyed by other students at the host university.
5. Participating students enroll at their home university and pay any required fees for the program there. Consequently, students shall be exempt from paying any tuition, application, or academic fee to the host university.
6. Each university will assist incoming students to provide suitable housing for the period of time that they will be at host campus. The participating students shall be responsible for their own food, accommodation, travel, books, transportation, passports, visas, insurance, and personal expenses, including student union/association fees as applicable at the host institution.
7. At the end of the exchange program, the host university should send the home university an official transcript of credits for the participating student.
8. Each university reserves the right to dismiss any participating student at any time for academic or personal misconduct in violation of established local regulations. The dismissal of a participant shall not abrogate the agreement for the arrangements regarding other participants.
9. This agreement shall take effect from the date of last signature for a period of five (5) years. It is subjected to revisions, renewal and/or cancellation by mutual written consent, but any participating students who have commenced at either university at the date of termination may continue to complete their study.
