Employment of the Norwegian lecturer for the period from 2015 to 2020

Federal State Budgetary Educational Institution of Higher Education ‘**Saint-Petersburg State University**’ (hereinafter – the University), residing in Russia, on the one part, and **Norwegian Centre for International Cooperation in Education** (hereinafter – SIU), on the other part, have concluded the present Agreement in connection with the University’s employment of the Norwegian lecturer for the period from 2015 to 2020.

1. The responsibilities of SIU.

In compliance with the ‘Call for Proposals’ SIU shall: a) spread information on the vacant positions for the Norwegian lecturers in the relevant circles in Norway; b) select highly-qualified Norwegian lecturers as candidates for consideration and approval by the University; and c) provide consulting services and other general assistance concerning the Norwegian lecturers abroad.

Upon SIU’s receipt of a copy of the Contract of Employment concluded and signed by the University and the Norwegian lecturer proposed as a candidate by SIU as stipulated in Article 2 hereof, SIU is to provide the employed Lecturer with a personal financial support as established by the regulations for such grants under the Scheme for Norwegian Studies Abroad.

SIU accepts no liability whatsoever in respect of the assistance rendered under or in connection with this Agreement. The University is not under any circumstances entitled to the personal grant awarded to the Lecturer.

2. The responsibilities of the University

If the University agrees to employ the lecturer, the University shall: a) employ the Lecturer as a Norwegian lecturer (1.0 full-time equivalent) under its current standard Employment Contract with conditions corresponding to those applicable to the University’s local academic and teaching staff with the same level of qualification, including (but not limited to) the amount of salary, expense allowance scheme and other incentives and compensations; and b) provide the Lecturer with the compulsory medical insurance, pension plans and other national/regional social insurance programmes adopted for the University’s academic and teaching staff. The University shall provide the Lecturer with his work place and guarantee that the employment of the Lecturer is governed by the same employment policy applied to the Russian teaching and academic staff with the same level of qualification.

Annually, the University shall send a brief report to the SIU by July 1 of each year to assess the Lecturer’s academic and teaching performance and other factors which are relevant to the cooperation.
