Saint Petersburg State University
Executor

As a scientific leader at BIRA-IASB for the workpackage 3 of the QA4ECV (Quality Assurance for Essential Climate Variables) project funded by the European Union, I hereby confirm that St. Petersburg State University which is our international partner in this project, will receive a donation on the amount of 3000 Euros. This donation has to be used strictly for research purposes, namely for the subproject "The provision of harmonized CO data to the QA4ECV validation server" led by Dr. Maria V. Makarova (Faculty of Physics).

The payment will be made once in 2017. The money will be transferred directly from the bank account of the Royal Belgian Institute for Space Aeronomy.

The project continues until December 2017.

Please confirm your readiness to accept the money on the stated conditions and return to us the signed copy of this letter.
