Re : Termination of student exchange agreement signed in 2001

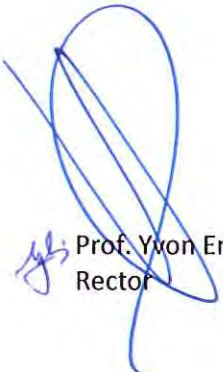

Dear Colleague,

A Framework Agreement for Cooperation was signed in 2012 between our two universities, with the possibility to conclude subsequent Specific Student Exchange Agreements in different faculties. One is already effective in the field of Philosophy and Social Sciences, another is currently being negotiated in the field of Economics and Business Management.

As a result, the previous institutional Cooperation Agreement, signed in 2001 for an open-ended period has become obsolete and the purpose of this letter is to terminate it formally.

I hope that the collaboration between Saint-Petersburg University and Université Libre de Bruxelles will continue to develop and be fruitful.

Best regards,

Prof. Yvon Englert
Rector

Annex: Original 2001 agreement to be terminated.
