The Parties agree to set following terms and conditions for student exchange:

2.1. The total number of exchange students per one academic year from each Party shall not exceed **4** (*four*) undergraduate or graduate students for study period of one term or **2** (*two*) for study period of one academic year. The Parties strive to distribute the candidates for exchanges evenly throughout the academic year and keep the balance of number of exchange students from each university annually.

2.2. The home university will be responsible for the initial selection of exchange students; however, the host university reserves the right to deny admission to any candidate not meeting its general admission criteria.

2.3. Exchange students will be exempted from paying tuition fees to the host university, but shall pay tuition fees at the home university, if applicable. Exchange students have to pay all other compulsory fees as according to the rules and regulations of the host university. Exchange students shall be informed about all compulsory fees in advance.

2.4. All the expenses related to participation in the exchange in accordance with this Protocol, including visa related expenses, medical insurance expenses, travel expenses as well as accommodation and living costs and any additional expenses connected to the participation in the exchange shall be covered by the exchange student.

2.5. The host university assists the exchange student in arranging accommodation (at the University of Verona – at students residencies or in private accommodations, at Saint-Petersburg University – at the dormitories of Saint-Petersburg University). The accommodation fee shall be covered by the exchange student.

2.6. All the exchange students should have a medical insurance valid on the territory of the host country during the whole exchange period. Students are responsible to obtain adequate medical/health insurance coverage (including emergency medical evacuation and accidental death) to the satisfaction of the host university.

2.7. Students who participate in the exchange program will be awarded grades and credits in accordance with the academic policies and regulations of the host university. All the exchange students receive a transcript of records at the end of the exchange period. If the transcript cannot be given directly to the student in accordance with the host university rules, it shall be put into the home university's disposal not later than 1 (one) month after the termination of the exchange period.

2.8. Exchange students shall follow the rules of the host university and the law of the host country. Any infringement of the given rules and laws can be subject to pre-term dismissal from the host university.

2.9. All the exchange students will be enrolled on an equivalent base and given the same academic privileges as the other students in the host university. Exchange students are not subject to the same scholarship payments that are available for host university students.

2.10. The Parties will assist exchange students in all practical and academic matters, especially concerning obtaining visa, accommodation, and academic integration.
