RUSSIA**

This Agreement applies to an exchange of students between City University of Hong Kong ("CityU") of Tat Chee Avenue, Kowloon, HKSAR, People's Republic of China and The Federal State Budgetary Educational Institution of Higher Education «Saint-Petersburg State University» ("SPbU"), duly represented by its Vice-rector for International Affairs Sergey V. Andryushin, acting on the basis of proxy dated 26.01.2024 № 32-06-45. Both institutions shall, on the basis of reciprocity, support and promote the spirit of this Agreement to encourage academic collaboration and to facilitate as much as possible the academic progress, physical relocation and cultural orientation of all exchange students.

**1. Principles**

- 1.1 Student exchange shall be on a one-to-one academic exchange basis with up to FOUR (4) semester-long places each year.
- 1.2 For the avoidance of doubt, the absence of exchange during any particular academic year does not nullify the Agreement.
- 1.3 Exchange students shall enroll as full-time, "not-for-degree" students and are exempt from application and tuition fees at the host institution.
- 1.4 If there are more students interested in participating in the exchange programme than there are places available in any year, these students may apply for enrollment as "not-for-degree" visiting students and pay the full standard fees applicable to visiting students.

**2. Selection**

- 2.1 The exchange programme shall be open to undergraduate students of both institutions who have completed at least one year of undergraduate study.
- 2.2 Participating students shall be selected by the home institution, usually on the basis of academic merit and suitability, to undertake a period of study abroad, subject to acceptance by the host institution under normal admission procedures.
- 2.3 If the host institution rejects any proposed candidates, the home institution may nominate suitable candidates for consideration.

- 2.4 Both institutions shall respectively reserve the right to determine dates by which exchange student candidates must be selected in order to guarantee efficient processing of their documents.

### **3. Exchange Students' Rights and Obligations**

- 3.1 Exchange students shall pay tuition and any other study-related fees to their home institution.
- 3.2 Exchange students shall be responsible for their own financial support including international transportation, accommodation, living expenses and insurance. The host institution shall bear no responsibility for providing funds to any exchange student for any purpose.
- 3.3 Exchange students shall be responsible for securing their own accommodation. Assistance will be provided by the host institution to locate appropriate accommodation. On-campus accommodation shall be provided subject to availability but is not guaranteed.
- 3.4 Exchange students shall abide by the laws of the country or territory of the host institution and the rules and regulations of the host institution.
- 3.5 It is the responsibility of the exchange students to obtain consent from their home institution that upon successful completion of study at the host institution, full credit will be granted towards the degree at their home institution.
- 3.6 Each exchange student is responsible for ensuring that he or she obtains his or her official academic records covering the subjects taken during the period of the exchange.
- 3.7 It is not anticipated that spouses and dependents will accompany an exchange student. Such an arrangement is subject to the approval of the host institution on the understanding that the exchange student will be responsible for all additional expenses. Facility access, student services and other privileges of a full-time student will not apply to the exchange student's spouse or dependents.
- 3.8 Exchange students attending CityU are required to purchase their own insurance policy (which shall include but not limited to travel and health/medical insurance with worldwide protection) before they arrive at Hong Kong. CityU students attending the host institution will follow the instructions of the host institution and purchase insurance as required. It is the responsibility of the students to obtain and maintain insurance coverage throughout the entire period of their study at the host institution.
- 3.9 Each exchange student is responsible for obtaining the correct visa, passport, and other necessary personal travel documents for study in the other country or territory.

Notwithstanding, each student shall be responsible for obtaining his or her visa, passport or other required documents and for any necessary charges. The institutions shall not be liable for the failure on the part of the students to obtain the required documents.
